Bears Linked With Liberty Gay Rodeo Association

The Liberty Bears of Phila. are joining forces with the Liberty Gay Rodeo Association. Our main BoLW VI events include our Friday night "Bearapalooza" at the

Ursula Veronica Wins Award

And the 2007 Golden Buttocks Award for best female spanker goes to Liberty Bears member and treasurer... Veronica Bound!

You may have noticed Veronica at Liberty Bears socials. She's the sexy ursula amid all the bears. Now Veronica's been distinguished for being most talented hard female spankers out there.

According to spankingspot.blogspot.com "of all [the others] Veronica has indeed truly impressed. With her stern looks, she makes bruising naughty girls bottoms look easy. In addition to her spanking prowess she also has the strength to keep unhappy squirming girls in place as her strong hand reigns blows upon their bottom. Please join me in congratulating Veronica for this well earned reward."

You can find the complete article including pix of spanked bottoms at:

Gotta Question? Just Ask The Badger

Dear Badger,

Can a person catch Chlamydia in the rectum?
Inquiring Mind

Dear Inquiring Mind,

Let's start with some facts:

According to CNN.com, Chlamydia is a bacterial infection of your genital tract that spreads easily through sexual contact. You may not know you have chlamydia at first because the signs and symptoms of pain and fluid discharge don't show up right away, if they show up at all. Many people experience no signs and symptoms.

Chlamydia is one of the most common sexually transmitted diseases in the U.S. Each year, as many as 3 million people in the U.S. are infected with chlamydia. The disease affects both men and women and occurs in all age groups.

If you engage in anal sex, the chlamydia organism can cause rectal inflammation. This can result in rectal pain and mucous discharge.

Doctors treat chlamydia with prescription antibiotics such as azithromycin (Zithromax), erythromycin, tetracycline or doxycycline.
